Santa Monica College

Santa Monica, CA · 2020

A.A. General Science & A.S. Mathematics, Highest Honors · GPA 4.00 · Alpha Gamma Sigma Honor Society

PROFESSIONAL EXPERIENCE

Ekyaaloo Diagnostics (Johns Hopkins CBID)

Maryland · Apr 2023 – Aug 2024

Co-Founder & Head of R&D — AI-powered diagnostics venture

- Secured **\$265K in competitive funding** as lead author of 5+ technical and commercial proposals, building the business case, financial justification, and go-to-market narrative for a novel AI diagnostics platform.
- Defined **product and regulatory strategy** for a Class II medical device, structuring an FDA pre-submission roadmap that synthesized clinical, technical, and market evidence.
- Led a **cross-functional team** (AI engineer, designer, pathologist) from customer discovery through prototype, translating user insights into product and go-to-market decisions.
- Structured and ran a **multi-site field study** across 3 Ugandan institutions, managing senior clinical, academic, and government stakeholders end-to-end.

Ocular Therapeutix

Boston / Remote · Apr 2023 – Nov 2023

Global Market Access Strategist (Intern)

- Built **competitive landscape and pricing analysis** across 5+ emerging markets to shape ophthalmic drug-delivery commercial strategy.
- Initiated **executive engagement with C-suite leadership** at Aravind Eye Hospital, framing an international partnership and market-entry thesis.

Johns Hopkins University

Baltimore, MD · Aug 2022 – May 2024

Bioengineering Design Instructor (Graduate Teaching Assistant)

- Coached undergraduate and graduate teams through **structured, hypothesis-driven problem-solving** on medical-device projects; recognized as Most Outstanding TA (2023).
- Communicated complex technical material to diverse audiences, including practicing physicians and industry professionals.

Singapore Armed Forces — Guards Formation

Singapore · Feb 2015 – Dec 2016

Lieutenant (Platoon Commander)

- Led and developed **40+ personnel under high-pressure conditions**; achieved a 100% platoon graduation rate while accountable for training, welfare, and operational readiness.
